"Marshmallow World"

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play, it's a whipped cream day
I wait for it the whole year round.

Those are marshmallow clouds being friendly
In the arms of the evergreen trees
And the sun is red like a pumpkin head
It's shining so your nose wont freeze.

The world is your snowball, see how it grows
That's how it goes whenever it snows
The world is your snowball just for a song
Get out and roll it along

It's a yum-yummy world made for sweethearts
Take a walk with your favorite ~~girl~~ *pal*
It's a sugar date, what if spring is late
In winter it's a marshmallow world.

Sacrifices Made

You were young when duty called.
All they wanted was your all.
We remember today, all the sacrifices made.

You shipped out to who knows where.
Yet you stayed here in our prayers.
We remember today, all the sacrifices made.

With your hand on your heart,
you took the pledge to serve your country.
You stepped up. Did your part to defend our lives,
preserve our rights.

On the land. In the air.
On the sea, you were there.
We remember today, all the sacrifices made.

Markers stand one by one
all in rows along the hillside.
Sun is set. Day is done,
for they paid the price with their lives.

You were young when duty called.
All they wanted was your all.
We remember today, all the sacrifices made.

Yes, we thank you today for the sacrifice (*divisi, optional*): you made!

CHRISTMAS CARD

I'll make a Christmas card for you.
I'll get some glitter, pens, and glue.
Just wait 'til you see it, I'll fill it with love.
Just as sure as the heavens above!

I'll make a Christmas card this day.
Then I will send it on its way.
Just wait 'til you see it, it's sure to delight!
May your Christmas be merry and bright, and bright!

Holly and ivy, snow on trees.
Wonderful smells and memories.
I can't wait to see you and be at your side
for this joyous Christmastide!

Together at Christmastime!

Together at Christmastime!

(*divisi, optional*): Ooh.

DECK THE HALLS

Deck the halls with boughs of holly
Fa-la-la-la-la, la-la-la-la
'Tis the season to be jolly
Fa-la-la-la-la, la-la-la-la
Don we now our gay apparel
Fa-la-la, la-la-la, la-la-la
Troll the ancient Yule-tide carol
Fa-la-la-la-la, la-la-la-la

Fa-la-la-la-la, la-la-la-la
Fa-la-la-la-la, la-la-la-la
Fa-la-la, la-la-la, la-la-la
Fa-la-la-la-la, la-la-la-la

See the blazing Yule before us
Fa-la-la-la-la, la-la-la-la
Strike the harp and join the chorus
Fa-la-la-la-la, la-la-la-la
Follow me in merry measure
Fa-la-la, la-la-la, la-la-la
While I tell of Yule-tide treasure
Fa-la-la-la-la, la-la-la-la
Fa-la-la-la-la, la-la-la-la

"I Want A Hippopotamus For Christmas"

I want a hippopotamus for Christmas
 Only a hippopotamus will do
 Don't want a doll
 No dinky tinker toy
 I want a hippopotamus to play with and enjoy

I want a hippopotamus for Christmas
 I don't think Santa Claus will mind do you
 He won't have to use
 A dirty chimney flue
 Just bring him through the front door
 That's the easy thing to do

I can see me now on Christmas morning
 Creeping down the stairs
 Oh what joy and what surprise
 When I open up my eyes
 To see a hippo hero standing there

I want a hippopotamus for Christmas
 Only a hippopotamus will do
 No crocodiles
 No rhinoceroses
 I only like hippopotamuses
 And hippopotamuses like me too 8

Mom says a hippo would eat me up but then
 Teacher says a hippo is a vegetarian 8

There's lots of room for him
 In our two car garage
 I'd feed him there
 And wash him there
 And give him his massage

I can see me now on Christmas morning
 Creeping down the stairs
 Oh what joy and what surprise
 When I open up my eyes
 To see a hippo hero standing there

I want a hippopotamus for Christmas
 Only a hippopotamus will do
 No crocodiles
 Or rhinoceroses-es
 I only like hippopotamuses-es
 And hippopotamuses like me too!

Let It Snow

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let It Snow! Let It Snow! Let It Snow!

It doesn't show signs of stopping,
And I've bought some corn for popping,
The lights are turned way down low,
Let It Snow! Let It Snow! Let It Snow!

When we finally say goodnight,
How I'll hate going out in the storm!
But if you'll really hold me tight,
All the way home I'll be warm.

The fire is slowly dying,
And, my dear, we're still good-bying,
But as long as you love me so,
Let It Snow! Let It Snow! Let It Snow!

Have Yourself a Merry Little Christmas

Have yourself a merry little Christmas
Let your heart be light
From now on
our troubles will be out of sight
Have yourself a merry little Christmas
Make the Yule-tide gay
From now on
our troubles will be miles away

Here were are as in olden days
happy golden days of yore
Faithful friends who are dear to us
gather near to us once more

Through the years we all will be together
If the Fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas
now

Over the River

Over the river and through the woods to Grandmother's house we go.
The horse knows the way to carry the sleigh through white and drifted snow.

Over the river and through the woods, oh, how the wind does blow.
It stings the toes and bites the nose as over the ground we go.

Over the river. Over, over!

Over the river and through the woods and straight through the barnyard gate.
It seems that we go so dreadfully slow; it is so hard to wait.

Over the river and through the woods, now Grandma's cap I spy.
Hurrah for fun, the pudding's done; hurrah for the pumpkin pie!

Over the river. Over, over!

Over the river and through the woods to Grandmother's house we go.
The horse knows the way to carry the sleigh through white and drifted snow.

Over the river and through the woods, oh, how the wind does blow.
It stings the toes and bites the nose as over the ground we go.

Over the river. Over, over!

Oh!

Christmas Tree, What Will You Be...

Oh Christmas tree, oh Christmas tree, you bring us joy and cheer.

Oh Christmas tree, oh Christmas tree, what will you be this year?

Will you be a big tree, a small tree, a wide tree, a skinny tree, or maybe eight feet tall or more?

Will you be a real tree, a fake tree, a green or white or purple tree? I hope that you will fit through the door.

It doesn't have to look like Rockefeller Center, if it comes from the heart then it couldn't look better.

Oh Christmas tree, what will you be this year?

Will you be a blue spruce, a white pine, a fraser or balsam, the kind where all the needles fall off?

Will you be a bright tree with tinsel, a star or an angel, with lights that can blink on and off?

It doesn't have to look like Rockefeller Center, if it comes from the heart then it couldn't look better.

Oh Christmas tree, what will you be this year?

It doesn't matter if it's artificial or grown. It's the best because it's in your home.

Oh Christmas tree what will you be...

Oh Christmas tree, oh Christmas tree, you will bring us joy and cheer.

Oh Christmas tree, oh Christmas tree, what will you be this year?

Silent night, Holy night

All is calm, all is bright

Round yon virgin, mother and child

Holy infant so tender and mild

Sleep in heavenly peace,

Sleep in heavenly peace.

Noche de paz, noche de amor,

Todo duerme en derredor.

Entre sus astros que esparcen su luz

Bella anunciando al ninito Jesus

Brilla la Estrella de paz
