

Jingle Bell Rock

Jingle bell, jingle bell, jingle bell rock
Jingle bells swing and jingle bells ring
Snowing and blowing up bushels of fun
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air.

What a bright time, it's the right time
To rock the night away

Jingle bell time is a swell time
To go gliding in a one-horse sleigh
Giddy-up jingle horse, pick up your feet
Jingle around the clock

Mix and a-mingle in the jingling feet
That's the jingle bell,
That's the jingle bell,
That's the jingle bell rock

WINTER WONDERLAND

Sleigh Bells ring are you listenin' in the lane snow is glistnin'

A beautiful sight we're happy tonight walkin' in a winter wonderland.

Gone away is the bluebird, here to stay is the new bird.

He sings a love song as we go along, walkin' in a winter wonderland.

In the meadow we can build a snowman and pretend that he is Parson Brown.

He'll say, "are you married?" we'll say, "no man!" but you can do the job when you're in town.

Later on we'll conspire as we dream by the fire. To face unafraid the plans that we made.

Walkin' in a winter wonderland.

Gone away is the bluebird, here to stay is the new bird.

He sings a love song as we go along, walkin' in a winter wonderland.

In the meadow we can build a snowman and pretend that he's a circus clown.

We'll have lots of fun with Mr. Snowman, until the other kiddies knock him down

When it snows ain't it thrillin'? Though your nose gets a chillin'. We'll frolic and play the eskimo way.

Walkin' in a winter wonderland...walkin' in a winter wonderland...walkin' in a winter wonderland

Blue Christmas

I'll have a blue Christmas without you

I'll be so blue just thinkin' about you

Decorations of red on a green Christmas tree

Won't be the same dear if you're not here with me

And when those blue snowflakes start fallin'

That's when those blue memories start callin'

You'll be doin' alright with your Christmas of white

But I'll have a blue blue blue blue Christmas

I'll have a blue Christmas without you

I'll be so blue just thinkin' about you

You'll be doin' alright with your Christmas of white

But I'll have a blue blue blue blue Christmas

The Night Before Christmas Song

'Twas the night before Christmas and all through the house not a creature was stirring, not even a mouse.

All the stockings were hung by the chimney with care in the hope that Saint Nicholas soon will be there.

Then, what to my wondering eyes should appear, A miniature sleigh and eight tiny reindeer,

A little old driver so lively and quick, I knew in a moment it must be Saint Nick.

And more rapid than eagles his reindeer all came as he shouted, "On, Dasher" and each reindeer's name.

And so up to the housetop the reindeer all flew with the sleigh full of toys and Saint Nicholas, too.

Down the chimney he came with a leap and a bound; He was dressed all in fur, and his belly was round.

He spoke not a word but went straight to his work, and filled all the stockings, then turned with a jerk.

And laying his finger aside of his nose, then giving a nod up the chimney he rose.

But I heard him exclaim as he drove out of sight, "Merry Christmas to all and to all a good night!"

Bring a Torch, Jeanette, Isabella

Ooh. Ooh.

Bring a torch, Jeanette, Isabella; Bring a torch, come swiftly and run.

He is born, tell the folk of the village; He is asleep, He's in his cradle.

Ah, Ah, Beautiful is the Mother; Ah, Ah, beautiful is her Son.

Ooh. Ooh.

Hasten now, good folk of the village; Hasten now, the baby to see.

You will find Him asleep in the manger; Quietly come and whisper softly,

Hush, hush, peacefully now He slumbers; Hush, hush, peacefully now He sleeps.

Ooh. Ooh.
